

# Meat & Smokey Barbecue Pizza

## Ingredients

- Pizza base
- Frenchmaid Smokey BBQ Sauce
- Cooked Shredded Chicken
- Spicy Chorizo
- Pepperoni
- Ham Shredded
- Pizza Cheese

## Method

In a pan heat a little bit of oil, season the chicken with salt and pepper and add the chicken. If necessary, to finish cooking place the chicken in the oven until it reaches at least 74°C inside. Wait to cool and then shred the chicken.

Chop the ham and spicy chorizo. Slice the pepperoni.

To assemble the pizza, spread **Frenchmaid Smokey BBQ Sauce** on the pizza base - don't add too much sauce otherwise it will make the base wet and overpowering.

Add all the other ingredients proportionally to cover all the slices. Place the pizza into the oven until the dough is cooked.
