

General Ingredients

Resistamyl 347 25kg

Product ID:

RESI001

Product Name:

Resistamyl 347 25kg

Country of Origin:

Belgium, The Netherlands

Description:

This product is a modified waxy maize food starch. It appears as a creamy-white fine powder with bland odour and taste. Product is used as a thickener. Viscosity will not start to develop until product is heated. Recommended approximate dosage depends on the required final product viscosity and needs to be adjusted for exact product application. The starch should be dry blended with carrier prior to the addition to mix to avoid the formation of starch lumps.

Intended Use:
